

# M&M Resources Snow Crew

---

Are you interested in being a member of the M&M Resources Snow Crew for a Charlottetown Islanders Game?

Twice per period (near the 14 and 6 minute marks) of every Islanders home game, we need some young volunteers to clean the snow away from high traffic areas on the ice surface. Four strong skaters are required each night. Each player is given a specific area of responsibility (Islanders net, Islanders bench, Visitors net, Visitors bench). All interested players must be Peewee aged or older, boys and girls are more than welcome to apply. If interested, contact Trent Coffin by email [attrent@charlottetownislanders.com](mailto:attrent@charlottetownislanders.com), or by phone 902.892.7351.

When you are selected to be the **M&M Resources Snow Crew**, the Islanders provide 4 youth tickets for the crew and 2 tickets for adult chaperones.
