Please see your child's number and date. That will be the game that you are responsible for selling the 50/50 tickets. Arlene or Melissa will have the cash and pass it on to who's ever turn it is for the next game.

We also ask that if you are unable to attend that specific game and take your turn selling the 50/50, that it is your responsibility to find another parent to take your turn or trade off days. Could you please let Arlene or myself know if and when this might happen.

Here is to having a great 2012-2013 hockey season...Great kids, great coaches and great parents!!!

If you have any questions, please don't hesitate to give Melissa (213-2755) or Arlene (368-8181) a call.

Cheers!
Melissa & Arlene
